For a happy ending

Don't forget your free slice of sourdough bread or a squeeze of lemon (maybe lime?) and a dash of spicy sauce.

The small print

The salad comes from the farmers market salad vendors. Don't worry, the greens were grown on a nearby patch.

There has been a lot of thought put into our recipes.

We mixed, matched and tossed salads for six months, so there's nothing but the best here.

The packaging is environmentally friendly.

We are making an effort, so our packaging and cutlery are mostly biodegradable.

We are a cashless business.

Pay with cards – simple, quick and more elegant.
